

An Elegant Wedding

Description:

I have been planning weddings and events for over 13 years, first with the City of Cocoa, Florida, and then as an independent contractor managing the Historic Porcher House and Civic Center both located in Historic Downtown Cocoa Village, Florida. After 13 plus years of working for someone else, I decided that I had enough knowledge and experience to form my own business, "An Elegant Wedding". My years of experience planning events has helped me to develop professional vendor relationships, a budget that can meet your every need and, most of all, I understand that there is no more important day of your life than your wedding!

My goal is make the most important day of your life stress free and elegant! Call me for a free consultation.

FYI The average wedding takes over 250 hours to coordinate! Don't let a joyous occasion become an overwhelming task. Let An Elegant Wedding help you plan the most important day of your life. Feel like a guest at your own wedding and let us make sure all of the details are handled. An Elegant Wedding's goal is to work closely with the vendors and personnel that have been contracted for your wedding and to make sure that everything is executed according to your plans and desires.

Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge Him and he will make your paths straight. • Prov. 3:5-6
